

LEGACY CONTRIBUTION APPLICATION FORM

GENERAL INFORMATION

Please review the Legacy Contribution Guidelines at www.canadanickel.com/sustainability. Legacy Contributions applications are suitable to those Programs with requests greater than five-thousand Canadian dollars (CAD\$5,000) whose impacts, duration, or completion may extend multiple years, and which have significant implications relating to realized benefit or outcome.

Please send your completed application, and any letters of support you may have, to community@canadanickel.com, or drop off/mail a hard copy to Canada Nickel's regional office: 250 Third Avenue, Timmins, Ontario, P4N 1E3.

Attach this page, completed, as the cover to your Program Proposal.

Please note that finalists selected from the initial application round will be asked to give a presentation of their proposal to the Canada Nickel assessment committee prior to funding being awarded.

APPLICANT INFORMATION

Organization Name _____

Mailing Address _____

City _____

Province _____

Postal Code _____

Telephone Number _____

Which of the following most closely describes the challenges addressed by your Program? (Check all that apply)

- Healthcare Education Social Environmental

PROGRAM PROPOSAL REQUIREMENTS

The following outlines the required content and structure of your Program Proposal. Please use the following section numbers and headings in your own proposal, and attach the first page of this form as the cover.

PROGRAM TITLE

1.0 Program Description (*max 100 words*)

Short program summary - this may be used by Canada Nickel during public announcements of awarded Legacy Contributions

2.0 Organization Background (*max 300 words*)

Brief overview of the applicant's organization, including:

- Mandate, objectives
- Major accomplishments
- Operating locations/jurisdictions

3.0 Detailed Program Description (*max 800 words*)

Including intended:

- Goals and objectives
- Target groups/populations/communities, and why these groups were selected/identified
- Topic alignment and relation to potential Crawford Project impacts
- Results and expected benefits for targeted groups/populations/communities, including how these successes will be measured

4.0 Program Implementation (*max 500 words*)

Program workplan and schedule, including:

- Program deliverables
- Activities to be undertaken for successful Program implementation
- Anticipated schedule
- Key risks and mitigation strategies
- Structure and frequency of reports to Canada Nickel regarding budget expenditure and progress towards Program milestones/deliverables, including a final report indicating Program outcomes and final total Program spending

5.0 Partners (*max 300 words*)

List of partners who are providing financial, technical, and other support (letters of support are not required, but will be considered as part of the evaluation), and their roles and involvement to date. Include relevant contact information for all partners listed. Please indicate if any partners are non-profit.

6.0 Program Budget

All amounts shown must be in Canadian dollars (CAD).

Keep in mind that funding requested from Canada Nickel to support the Program cannot exceed a designated percent of the total Program budget. For Programs with budgets less than thirty-thousand Canadian dollars (\leq CAD\$30,000), Canada Nickel will contribute up to 75% of the total Program budget. For Programs with budgets greater than thirty-thousand Canadian dollars (\geq CAD\$30,000), Canada Nickel will contribute up to 50% of the total Program budget. Available amounts are subject to change at Canada Nickel's discretion.

Include a table outlining:

- Total contribution funding requested from Canada Nickel (cash)
- Breakdown of contribution funding requested from Canada Nickel, if applicable (if set amounts of funding must be contributed over a predetermined schedule, please indicate amounts and approximate dates of required funding) (cash and timing)
- Estimation of contributions made by the organization to the Program (cash)
- Other expected funding (cash and in-kind) – Please indicate the amount of funding, the source (if this can be shared), and the date funding was or is to be received, per the table example below. This must include received and pending applications for funding.

Include an additional table outlining:

- Total Project Cost (cash)
- Breakdown of anticipated major cost sectors over the life of the Program. Applicants must provide detailed information explaining and justifying each amount indicated in the budget, which may include salaries and benefits, travel expenses, contractual services, materials and supplies, rentals, and other expenses

It is recommended that applicants follow the Budget Template provided to ensure all information required is included

7.0 Declaration

The Proposal must be signed and dated to:

1. Attest that the applicant is legally registered or incorporated in Canada.
2. Attest that the information provided by the applicant is true and accurate to the best of their knowledge.

3. Attest that the application is the owner of all information—proprietary, confidential, or otherwise—provided as part of the submission, or, if the information belongs to another party, that the applicant has obtained written consent to disclose the information to Canada Nickel.
4. Understands that any costs incurred for the submission of the application are at the applicants' own risk.
5. Understands that Canada Nickel reserves the right to alter the currently envisaged process, funding amounts, and deadlines, or to cancel the entire application process at its sole discretion.
6. Understands that project funding decisions will only be made following receipt, review, and selection of full Program proposals.
